## **REASONS FOR AND BENEFITS OF THE PLACING AND USE OF PROCEEDS**

The Company is an investment company under Chapter 21 of the Listing Rules and the Group is principally engaged in investment in listed and unlisted securities. The Directors consider that the proposed Placing provides a good opportunity for the Company to raise funds to strengthen its capital base and improve its financial position for the Company’s investment in securities listed on the Stock Exchange.

Consequent to the Euro zone debt crisis, the global economy has weakened and economic slowdown is evident around the world, which offers vast and rare investment opportunities for investors. The Directors consider that most of the companies' valuations are attractive and the additional funding which will be made available under the Placing would allow the Company, as an investment company, to position itself to readily take advantage of such investment opportunities when they arise.

The Directors also take the view that the net proceeds from the Placing will enable the Group to scale its investment portfolio promptly and efficiently in order to capture and benefit from fast-changing investment sentiments.

The Directors are of the view that the terms of the Placing Agreement are fair and reasonable, on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

Assuming all 153,000,000 Placing Shares are successfully placed by the Placing Agent, the estimated gross proceeds and net proceeds from the Placing will be approximately HK\$27,234,000 and HK\$26,330,000 respectively. The net proceeds to be raised upon completion of the Placing will be approximately HK\$0.172 per Placing Share.
